OVERVIEW

We're excited to introduce the all-new ARB camping furniture range, a total game-changer for outdoor enthusiasts. This refresh brings a blend of innovation and practicality, offering you the ultimate in camping comfort and convenience. Whether its cozy campfire gatherings or epic outdoor adventures, our latest collection promises to enhance your camping experience.

ARB BASE CAMP CHAIR

The ARB Base Camp Chair is the perfect all-rounder for travelling. It features a sturdy, sleek black steel frame with contrasted charcoal cross-bars. The body of the chair is made from 600D polyester and 420D ripstop panels and features a tonal print and internal padding throughout. The padded armrests provide ultimate comfort when in use. There is a rear mesh pocket for storing the essentials and a swivel cup holder to keep your drink close. To top it all off the chair comes with a spacious 600D polyester carry bag featuring webbing straps and a premium shoulder pad for easy storage and carrying.

FEATURES & BENEFITS

- 600D polyester camp chair with sturdy steel frame and built-in padding throughout
- 420D ripstop contrasting panels
- Padded armrests for comfort
- Swivel cup holder
- Rear mesh pocket
- Spacious 600D polyester carry bag with webbing straps and shoulder pad for easy storage and carrying
- Packed weight of 6.3kg / 13.9lbs
- Weight rating of 150kg / 330lbs

ARB PINNACLE CAMP CHAIR

The ARB Pinnacle Camp Chair offers a premium seating experience when travelling. It features a sturdy, sleek black steel frame with contrasted charcoal brackets and a quick release bracket on the rear, making it easy to fold down when you're ready to pack up. The body of the chair is made from 600D polyester and 420D ripstop panels and features a tonal print and internal padding throughout. The wide armrests provide ultimate comfort when in use. There is an abundance of storage for your essentials with a rear mesh pocket and built in side panel featuring a cup holder and additional pockets. To top it all off the chair comes with a spacious 600D polyester carry bag featuring webbing straps and a premium shoulder pad for easy storage and carrying.

FEATURES & BENEFITS

- 600D polyester camp chair with sturdy steel frame and built-in padding throughout
- 420D ripstop contrasting panels
- Wide armrests for comfort
- Built-in side panel with cup holder and storage pockets
- Rear mesh pocket
- Spacious 600D polyester carry bag with webbing straps and shoulder pad for easy storage and carrying
- Packed weight of 8.8kg / 19.4lbs
- Weight rating of 150kg / 330lbs

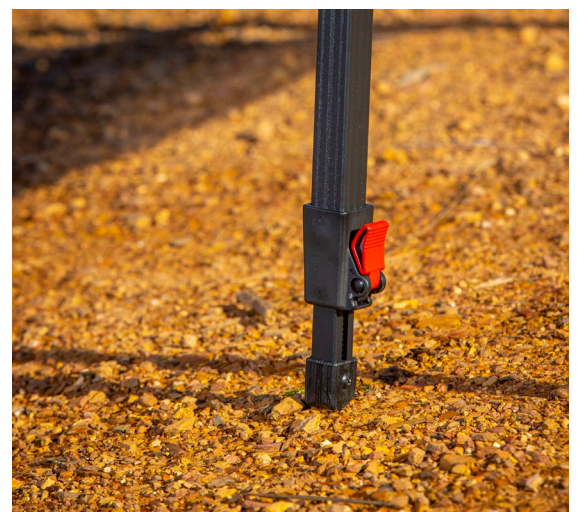

ARB PINNACLE CAMP TABLE

The ARB Pinnacle Camp Table is perfect for cooking and eating on the move. Its durable frame is made from black aluminum with contrasted charcoal crossbars. The generously sized black rugged tabletop provides ample space for your cooker, platters or meals. A key feature of this table is the adjustable legs. Each leg can be independently adjusted to allow for stability on uneven surfaces, and the table height can be adjusted anywhere from 79cm to 99cm. There are built in brackets on the frame which hold the included mesh basket for added storage. The table packs away into a compact 600D polyester carry bag featuring a built-in internal divider separating the tabletop from the frame.

FEATURES & BENEFITS

- Compact aluminium camp table
- Independently adjustable legs to allow for use on uneven surfaces
- Height can be increased from 79cm to 99cm
- Large tabletop (114cm x 70cm)
- Convenient storage basket under tabletop
- Sturdy carry bag with built-in internal divider
- Holds 30kg / 66lbs
- Packed weight of 8.4kg / 18.5lbs

ARB DOUBLE SWAG STRETCHER

The ARB Double Swag Stretcher is the perfect item to pair with your swag for an elevated sleeping experience when travelling. It is designed to perfectly fit the ARB Skydome Double Swag and features a sturdy black steel frame with contrasted charcoal crossbars. The durable skin is made from 600D polyester and features contrasted beige piping for visual appeal. On the underside of the stretcher, you will find built-in buckles which keep the frame securely closed when not in use. To top it all off the stretcher comes with a sturdy 600D polyester carry bag featuring double webbing straps and a premium padded handle for easy transport and storage.

FEATURES & BENEFITS

- Double stretcher designed to fit the ARB Skydome Double Swag
- Durable 600D polyester skin and strong steel frame
- Built-in buckles to keep stretcher securely closed when not in use
- Sturdy carry bag with padded handle for easy transport and storage
- Packed weight of 15.6kg / 34.4lbs
- Weight rating of 120kg / 364lbs per side (240kg / 528lbs in total)
